NOTES

- >Red tees denoted on scorecard are currently using the new unpainted bare metal markers. These will be painted as we get closer to the spring.
- >Several of the Red tees are recommended for advanced players only. You will never be forced to play these tees in tournaments.
- >Expect to see the orange markers added to the course as we get closer to springtime.
- >Hole #2: Final version of red tee box would be built up to higher elevation. Also see next point.
- >Cart path needs to be rerouted in the future to stop hole 1 left greenside bunker erosion. Ties in with previous point.
- >This is a work in progress -- We will fine tune as needed.
